Dear Jim:

To confirm our discussion of 7-27-87 re: Mr. Jay W. Rey, E.W.U.'s Archivist, as chairman of the "Colbert Cleanup Committee" (CCC).

Mr. Rey will invoice Key Tronic Corp. (KTC) monthly, against reference P.O.# 40762, for his services as acting chairman or facilitator of the CCC at the rate of \$30/hr. plus incidentals such as telephone, office supplies with receipts required for anything over \$2.00. Spokane County will pay for one half of these expenses within 30 days after receiving invoice from KTC, until such time KTC and Spokane County agree, in writing, to change this arrangement.

Note: We will all continue trying to find another source of funds to compensate Mr. Rey due to the acknowledged sensitivity of us as PRP's paying his fee and he maintaining his "neutral" credibility as facilitator.

Sincerely,

*Bruce*
